

## **Greenway Joint Recreation Association**

### **Return to Play Protocols**

- If players or coaches are not feeling well, please do not come to the ballpark.
- Individuals should wash their hand for minimum of 20 seconds with warm water and soap before any practice. Players and coaches are encouraged to use hand sanitizer with any shared equipment when possible. Use your own fielding glove and batting gloves. Please do not share these.
- Social distancing in the dugout and the ballpark. 5 players to the dugout at a time and the rest of players either in the field of play or spread down the baseline along fence.
- With teams greater than 10 participants, the team will be broken down in groups of 10 with one coach per group with no crossing over of pods per state mandated guidelines.
- We recommend that parents drop their children off for practice and should not attend practice. If necessary for them to be at practice or if attending games, please use the social distancing rules.
- Only designated players, coaches and umpires are allowed in the dugout.
- Masks are not required to be worn by players or coaches. If masks are worn, please try to wear a solid colored mask.
- Please bring your own hand sanitizer and/or sanitizing wipes.
- Please bring your own beverage to drink. We will not share water bottles or coolers.

**Play at your own risk as the Greenway Joint Recreation Association is not responsible for any activity that is not a part of their youth programs. Thank you.**
