League Notes

1. Games are scheduled for Monday and Wednesday at 5:30 pm, but can be changed upon agreement of the participating teams. Please contact opposing coach to adjust game time. If no agreement on time is reached, by default the scheduled time will remain 5:30 p.m.
2. On each scheduled date, teams must play a single 7-inning game for playoff seeding. Teams may choose to play a second game or additional innings to allow for more playing time. Each team must play once for tournament seeding. The first game between two teams will count for tournament seeding unless both teams come to a different agreement.
3. In case of rain, home team will determine whether or not game will be played, until contest begins when umpire has final determination. Coaches please make arrangements to contact opposing team/coach in case of bad weather.
4. Home team supplies game balls and pays for umpires. Please make every effort to have qualified, adult umpires for your games.
5. League games are to be played under high school rules, although the minus-3 ounce bat restriction and pitch count rules are waived. The league expects that players use bats that are either BBCOR or Little League certified, and have diameter of 2 1/4 or 2 5/8 inch. USSSA bats are permissible, however bats of 2 3/4 diameter are not allowed.
6. Teams have the option of using the entire roster in their batting order, or to go with the traditional nine-player batting order. This can not be changed once the game begins.
7. Teams are strongly encouraged to allow all players one at-bat and six outs in the field each game. This is on an "honor" system with no penalty for failing to do so. This is also waived for games shortened to five innings because of the 10-run rule.
8. After much discussion at a previous league meeting, a 10-inning per week maximum was implemented for pitchers. This will be tracked during the league tournament with an "honor" system during the regular season.
9. AGE REQUIREMENT: IRB is open to players born on or after May 1, 2008. There are exceptions for players cut from their town's VFW/Junior Legion teams. Teams are to submit rosters, with birthdates, by July 1.
